

Youth 2 Youth Retreat 2026

On April 18-19, 26 high school students attended a retreat at Camp Rotary, where they were led by 16 of their peers. Focused on the theme *Jam Out with Jesus*, the retreat was filled with faith, friendship, and meaningful moments.

Here are a few highlights in the students' own words:

My favorite part was God time and meeting a bunch of new people

The witness talks allowed me to reflect on my own experiences with my faith.

My favorite part was the campfire singing and spikeball. I also liked all the games.

The Reconciliation part was the best confession experience I have ever had.

The best part was talking with my table group and being able to spend a weekend with my best friend where it was all about God.

Thank you to the Y2Y team for all your hard work this year:
