Last Call for Theme Artwork! GLOW- God Reveals Our Way

Last spring, the **Holy Trinity Class of 2027** prayerfully selected **GROW – God Reveals Our Way** as our school theme. Choosing the annual theme is the **first responsibility of our eighth-grade class as they begin their leadership journey**, and it serves as a reminder of the example they are called to set for our entire school community throughout the year.

We would love for our students to help bring this theme to life through their creativity! One student design will be selected by our staff and featured on our official **2026–2027 school theme T-shirts** and other school materials throughout the year.

Artwork Guidelines

- Create a design that reflects our school theme: **GROW – God Reveals Our Way**.
- Think about ideas such as growth, faith, God's guidance, nature, roots, trees, paths, light, or other symbols that represent our theme.
- Designs should be **simple, bold, and easy to print in one color**.
- Students may create their artwork **by hand or digitally**.
- Be sure to include your **name and grade** on the back (or in the digital file name).
