Franciscan Life Center Youth Leadership

The Youth Leader program of the Franciscan Life Center is accepting applications for its weeklong experiences for youth ages 13-14. If you would like your son or daughter to have leadership training to help them navigate high school, join with others July 27 – 31, 2026. In addition to leadership skills, this program helps build self-esteem, communication skills, and teamwork through challenging and fun activities.

For more information and to register visit flcenter.org or call 203-237-8084.
