

2026 Baby Bottle Boomerang

Our parish is hosting a Baby Bottle Boomerang to support the Catholic, Life-Affirming Mission of Carolyn's Place Pregnancy Care Center of Waterbury. The organization serves to empower women to choose life for an unplanned pregnancy by providing no cost pregnancy tests, diagnostic ultrasounds, pregnancy decision advocates, parenting classes and material assistance for clients. Over this past year, Carolyn's Place saw the opening of a new client service office, Crossroads Women's Center, which showcases an ultrasound machine as a life-saving tool. Your donation of loose change, as well as checks and cash gifts, will go far in providing Carolyn's Place and Crossroads Women's Center with the necessary resources needed to lead and support women in choosing life.

Bottles will be distributed on October 3rd & 4th and will be collected on October 24th & 25th.

You can visit www.carolynsplace.org for more information.
