St. Pio of Pietrelcina Parish Social Media Community Guidelines

As a parish family, our social media pages are meant to be a place where we share information, celebrate our faith, highlight parish events, and stay connected as One Parish, Three Churches, One Family in Christ.

In light of recent situations involving inappropriate and disrespectful comments on our social media pages, we would like to remind everyone of our expectations for online interactions.

When commenting on parish posts, we ask that everyone:

*****Treat others with respect, kindness, and charity.**

*****Keep conversations focused on the topic of the post.**

*****Avoid personal attacks, insults, harassment, or disrespectful language.**

*****Refrain from comments that create division or hostility within our parish community.**

*****Share concerns in a constructive and respectful manner.**

We welcome questions, feedback, and thoughtful discussion. However, disagreements can be expressed without attacking others or creating an unwelcoming environment. The ability to comment on our social media pages is provided as an opportunity to engage in respectful and constructive conversation within our parish community. With that opportunity comes the responsibility to follow these guidelines. In this way, the privilege of commenting helps us maintain a space that reflects charity, respect, and the values of our parish family.

Comments that violate these guidelines will be removed. Individuals who repeatedly post inappropriate, disrespectful, or disruptive comments will lose the privilege of commenting and will be restricted from our social media pages. If these issues continue, we reserve the right to disable comments on our social media platforms in order to maintain a respectful and welcoming environment for our entire parish community. Thank you for helping us keep our online presence a reflection of our parish values.

ST. PIO OF PIETRELCINA PARISH
ONE FAMILY IN CHRIST

A Message to Our Entire Parish Family

Matthew 19:14: "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."

Our parish is a family, and every member of that family has a place in our church from the youngest among us to the oldest.

To all parents with babies and young children: please know that you and your children are always welcome at Mass. We understand that young children may cry, wiggle, or make sounds during the celebration. That is a natural part of family life, and we are grateful for the gift of young families in our parish. Please never feel that you need to stay home because your child may make noise. Your presence is a blessing, and your children are an important part of our parish community. They are not only the future of our Church; they are part of the Church today. By bringing them to Mass, you are helping them encounter Christ and grow in faith.

To all parishioners, we ask that we continue to be a welcoming and supportive community for one another. A young parent may already feel nervous when their child cries, and a simple smile, understanding heart, or word of encouragement can make a great difference. At the same time, we recognize that Mass is a time of prayer and reverence, and we are all called to help create an atmosphere where everyone can worship. Let us remember that every person who enters our church is part of our parish family. The voices of children, the prayers of the faithful, and the presence of every generation remind us that our Church is alive.

Thank you to all who make our parish a welcoming home for everyone. Together, may we continue to grow as
ONE FAMILY IN CHRIST.

Blessing for Our Parish
Dear God,

Pour Your blessing upon our parish, in need of Your renewal and inspiration. Prune the places that need pruning, and pour fresh grace and courage into our midst. Help us to find You and, with great joy, follow You wholeheartedly. Amen.

NEWS FROM THE ARCHDIOCESE OF HARTFORD

JULY 25 - 31, 2026

New Tabernacle Opens Door to *Honor God*

- Story by Joe Pisani

Throughout the day, Father Jaime Maldonado sees people kneel and pray before the tabernacle in Sacred Heart Church of Southbury, a place for people to sit in silence in the presence of Jesus Christ.

Father Maldonado, the pastor of Midd-South Catholic, the Roman Catholic Parish of Middlebury and Southbury, was in search of a new tabernacle for Sacred Heart Church. The project was completed earlier this year when Jesus received a "beautiful home where we reserve the most precious gift we have — the Blessed Sacrament," he says.

"This was a very important decision because the tabernacle is the centerpiece of our church. We have God, himself, choosing to remain present with us in the Eucharist — the Body and Blood of Christ — and we have a place where we can encounter him."

Father Maldonado searched for a tabernacle that would match the modern decor of Sacred Heart Church and finally found a brass cylindrical one with a dome top through Adrian Hamers Inc. of Larchmont, N.Y., a company that specializes in liturgical art and church interiors.

The new tabernacle, which has a Celtic cross on the door and a crown on the top, had been at another parish. To match the furnishings of Sacred Heart Church, the pastor had it nickel-plated and mounted on a base of Vermont Verde Serpentine, which is a dark green metamorphic rock only found in a quarry in the Green Mountains. The base matches the church's altar and baptismal font.

The tabernacle resides in an open area to the right of the altar and is surrounded by chairs and kneelers where the faithful can meditate and pray.

"To preserve the intended design of the church," Father Maldonado says, "we wanted the new tabernacle to look as if it was always meant to be here." The church's former tabernacle, which has two glass sides, will be used as a reliquary. Another advantage of the new tabernacle, the pastor adds, is that it is "made of solid and inviolable material and cannot be removed."

"The Church has said we have a responsibility to protect Our Lord Jesus Christ to the best extent possible, just as Our Lady nurtured Jesus and protected him as a child," Father Maldonado says. "The Blessed Virgin Mary was given the mission to keep Jesus safe, even though he was an all-powerful king and the second person of the Blessed Trinity. The son of God was born a child and had to be nurtured and protected. The Eucharist is the same person."

A spiritual benefit of the tabernacle is found in its beauty, he adds. "God is beauty. His attributes are truth, beauty and goodness, and to the extent that we can see something beautiful as an expression of God, we are led to him and transcended."

The tabernacle has been well received by parishioners.

"It holds Christ himself, and is not to be taken lightly," Father Maldonado says. "We should do our best to honor him, to pray to him, to appeal to him and to protect him in the tabernacle. And our job as Catholics is to lead other people to Jesus in the Eucharist."

GOSPEL MEDITATION

July 26, 2026

Matthew 13:44-52

Around the time that the gold rushes ended in the nineteenth-century West, a curious phenomenon arose in New England known as money diggers. These were men who roamed the countryside with shovels, divining rods, and superstitious hope, convinced that treasure lay buried beneath their feet. Surely there must be gold under our feet. But there was not. The craze of these wild goose chases caused many to lose farms, families, and sanity. In this week's Gospel, Jesus inaugurates a new era of spiritual money digging. He announces, "The kingdom of heaven is like a treasure buried in a field." He invites us to become treasure seekers who search in the right place. What is of greatest value is not money beneath our feet, but the infinite treasure hidden deep in the humanity of Jesus himself, God's own blessed life. The glory of heaven lies veiled in his ordinary life, his teaching, his suffering, his Church. This teaching about the Kingdom changes things. Now we see the Church's doctrinal and moral teachings are not arbitrary rules. They are a treasure map. Follow them, and we will uncover divine happiness. Ignore them, and we will wander aimlessly, spade in hand, digging in empty fields, discouraged. Where have we wasted energy seeking treasure in the wrong places? How have we given up on seeking the treasure of truly finding God's love for us? If so, let us repent of both. Then let us dust off our shovels and get back to digging deep into the field of Christ Jesus and his Church. After all, He never ceases seeking his treasure in us.

Father John Muir

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

What Is God Asking of You?

What are you willing to give for the sake of the kingdom of God? Often, we begin a discussion like this with a story or a few leading thoughts. However, if we are to be serious about who we claim to be as Christians, there should be no beating around the bush. The question is not only important for each of us and our relationship with our God, but it should be important for the relationship each of us has with the entire Body of Christ. Like any good team or family, I need you to have my back, and I need to have yours. If one of us is going to lay it on the line and be all in for our faith, then we *all* need to be as well.

If only all the Christians of the world felt the same way. In some parts of the world, Christians are still being martyred for their faith. Others must worship underground and avoid the government-led police. Then there are those who seem to take faith for granted, and because little is asked by their friends or parish, they give nothing. It is quite a contrast of situations.

On this day, it may seem like little is being asked of you and I by God. Is that because we aren't being asked or because we aren't listening? If you are counting on me and I am on you, we should figure this out sooner than later. Of course, I suspect we actually do know the answer, don't we?
