A Message from Our Pastor

Dear Parish Family,

Every one of us has been blessed by those who came before us. The church we worship in, the ministries that nourish our faith, and the traditions we cherish today exist because previous generations generously shared their time, talent, and treasure.

As we look to the future, I invite you to consider including our parish in your estate plans through a charitable bequest. A bequest is a simple way to make a lasting gift of faith, ensuring that future generations will continue to encounter Christ here through worship, education, outreach, and community.

Such a gift is not reserved for the wealthy. Even a modest bequest can become a powerful testimony of gratitude to God and a blessing for those who will follow us. By remembering the parish in your will or estate plan, you help strengthen the Church's mission long after your lifetime.

If you have already included the parish in your plans, please accept my heartfelt thanks. Your generosity is an enduring expression of faith and stewardship.

May we all continue to be faithful stewards of the gifts God has entrusted to us, building a legacy that will inspire and support future generations of believers.
