

Directions for Making up Work for Chapters Missed (Gr. 9 – Conf 2):

- Watch the video for the chapter.
- Next complete the online quizzes for each of the 3 sections and take a photo or print screen showing each of the 3 scores.
(For instance, if you need to do Lesson 7, you watch the first video and answer the online questions. It will then show your score for that section and you take a photo of that. Then you watch the 2nd video for Lesson 7, answer the online questions and take a photo of that score. Finally you watch the third video of that lesson, do those questions, and take a photo of that score. You then submit those 3 photos in google classroom under Lesson 7 Make Up work.
