

St. Joseph School Bulldogs News

September

Principal Newsletter
August, 26th 2026

September is always a month full of great events and that transition back to the normal school routine. The teachers are all reporting that the start of the year went very well with students eager to learn and ready to work hard.

Our first major event is the school sponsored Blood Drive on the 10th. Students will receive more information during our first, first Thursday assembly on the 3rd. Each year the school continues to impress me by surpassing our goals. I will continue to show a map of where our blood donations are put to use saving lives. So when you receive that email please forward the information to me at Jhorvath@stjosephwestphalia.org.

The middle of September will see both Mother's Mass and Grandparents' Day. Both fantastic chances for the community to come visit our school and see just how much work goes into your students Catholic education. Be sure to mark both on your calendar and spread the word to as many grandparents as possible. I'm so proud of our school so far this year and I can't wait to share it with you!
