

St. Joseph School Bulldogs News

Welcome to a new school year!

Principal Newsletter

July 11, 2026

Welcome back SJSW Families,

I am filled with an overwhelming faith and excitement for the coming school year! This year we will be celebrating our theme of faith as we explore just what it means to be a part of a Catholic community. The school building has been cleaned, the teachers have been prepping their rooms, and we are ready to start things off on the right path.

Open House will immediately follow our blessing of the backpacks prayer service on August 10th. Hot dogs and chips will be provided and the building will be open for visiting. Feel free to visit any classroom as you enjoy the treat provided by home and school. Mentor families please plan to show our new families around.

Moving forward my newsletter will arrive in the blue folders on a monthly basis. Please see the church bulletin, school Facebook, and website for other information. Let's share that spirit of Faith and progress into the best school year yet. May God bless our school this year.

Yours in faith,
Mr. H
