Alcoholics Anonymous

Local A.A. Intergroup Offices & Help

Is your drinking a problem? There is a solution.

ENGLISH	ESPAÑOL / FRANÇAIS
24-Hour Helpline	SP/FR Helpline
(407) 260-5408	**(407) 240-1181**

Confidential • Answered by A.A. volunteers • Call to talk, ask questions, or find a meeting near you.

What Is A.A.?

Alcoholics Anonymous is a fellowship of people who come together to solve their drinking problem. **It doesn't cost anything to attend A.A. meetings.** There are no age or education requirements to participate — membership is open to anyone who wants to do something about their drinking problem. A.A.'s primary purpose is to help alcoholics achieve sobriety.

How A.A. Works

Members use the **Twelve Steps** to maintain sobriety. Groups use the **Twelve Traditions** to stay unified. The Twelve Steps are a set of spiritual principles that, when practiced as a way of life, can expel the obsession to drink and enable the sufferer to recover from alcoholism. The Twelve Traditions apply to A.A. as a whole, outlining how A.A. maintains its unity and relates to the world around it. The book *Alcoholics Anonymous* (known as "the Big Book") describes the A.A. program of recovery, along with stories from its co-founders and members who have found recovery in A.A.

Who Are A.A. Members?

- We are people who have discovered and admitted that we cannot control alcohol. We have learned that we must live without it to live normal, happy lives.
- We are not anti-alcohol and have no wish to reform the world. We are not allied with any group, cause, or religious denomination. We welcome new members, but we do not recruit them.
- We do not impose our experience with problem drinking on others, but we share it when asked. We know our own sobriety depends on connecting with other alcoholics.

For Families & Friends

Al-Anon Family Groups offer support for the relatives and friends of alcoholics — whether or not the alcoholic is still drinking.

Alcohólicos Anónimos

Oficinas Intergrupales Locales y Ayuda

¿El alcohol es un problema para usted? Hay una solución.

INGLÉS	ESPAÑOL / FRANCÉS
Línea 24 Horas	Línea SP/FR
(407) 260-5408	**(407) 240-1181**

Confidencial • Contestada por voluntarios de A.A. • Llame para hablar, hacer preguntas, o encontrar una reunión cerca de usted.

¿Qué es A.A.?

Alcohólicos Anónimos es una comunidad de personas que se reúnen para resolver su problema con la bebida. **No cuesta nada asistir a las reuniones de A.A.** No hay requisitos de edad ni de educación para participar — la membresía está abierta a cualquier persona que quiera hacer algo respecto a su problema con el alcohol. El propósito principal de A.A. es ayudar a los alcohólicos a lograr la sobriedad.

Cómo Funciona A.A.

Los miembros usan los **Doce Pasos** para mantener la sobriedad. Los grupos usan las **Doce Tradiciones** para mantenerse unidos. Los Doce Pasos son un conjunto de principios espirituales que, al practicarse como forma de vida, pueden ayudar a eliminar la obsesión de beber y permitir que la persona se recupere del alcoholismo. Las Doce Tradiciones se aplican a A.A. en su conjunto y describen cómo A.A. mantiene su unidad y se relaciona con el mundo que lo rodea. El libro *Alcohólicos Anónimos* (conocido como "el Libro Grande") describe el programa de recuperación de A.A., junto con relatos de sus cofundadores y de miembros que han encontrado la recuperación en A.A.

¿Quiénes Son los Miembros de A.A.?

- Somos personas que hemos descubierto y admitido que no podemos controlar el alcohol. Hemos aprendido que debemos vivir sin él para tener una vida normal y feliz.
- No estamos en contra del alcohol ni deseamos reformar al mundo. No estamos afiliados a ningún grupo, causa o denominación religiosa. Damos la bienvenida a nuevos miembros, pero no los reclutamos.
- No imponemos nuestra experiencia con el problema de la bebida a otros, pero la compartimos cuando se nos pide. Sabemos que nuestra propia sobriedad depende de conectar con otros alcohólicos.

Para Familiares y Amigos

Al-Anon Family Groups ofrece apoyo a familiares y amigos de alcohólicos — ya sea que el alcohólico siga bebiendo o no.

Are You Pregnant? Early Signs to Look For

Pregnancy symptoms vary, so the only way to know for sure is to take a pregnancy test. If you think you might be pregnant, here are common early signs to look for:

- Missed period
- Fatigue
- Nausea (morning sickness)
- Breast tenderness
- Mood changes
- Spotting (implantation bleeding)

What's next? If you've recently had unprotected sex and are experiencing any of the symptoms above, your next step is to confirm your pregnancy — call one of the numbers above to schedule a free appointment.

Our Free Services

Pregnancy Testing

If you are experiencing pregnancy symptoms or believe you could be pregnant, we offer pregnancy testing at no cost.

Limited Diagnostic OB Ultrasounds

Once you know you're pregnant, an ultrasound is the next step to verify the viability and health of your pregnancy, and to determine how far along you are, at no cost.

Unplanned Pregnancy Consultation

After determining your pregnancy's viability, we discuss all of the options available to you and your situation — free and confidential.

A viable pregnancy is one that is growing and has the likelihood of continuing. An ultrasound can detect the fetus's size and heartbeat to determine if it is growing at a healthy, expected rate. If a pregnancy is not viable, it will likely end in a miscarriage on its own.

JMJ Pregnancy Center does not refer or provide for an abortion.
