Parishioner Registration

Why register with St. Alexander Parish?

Faith is a Journey, not a Destination. Registering with the parish is a commitment to your Faith Journey and St. Alexander would like to walk with you.

Benefits to registering as a Parishioner:

1. Registration helps you stay connected with the parish, builds community and helps the parish stay connected with you.
2. Other parishes (*including St. Alexander*) often request verification of a person’s status as a practicing Catholic, attendance at Mass, sacraments, etc., when that person has been asked to be a **Godparent or Confirmation Sponsor**. Without registration, no such verification can be made.
3. Census numbers may determine how many priests are assigned to a parish and how many Masses and enrichment programs are planned and scheduled.
