Dear Father Buczek, the Parish Office Staff, and the Parishioners of St Stanislaus Parish,

On behalf of the Board of Directors and volunteers at Saint Gerard's Center for Life, we would like to thank you for hosting a Baby Bottle Drive at Church. We are extremely grateful for the generous donation of \$948.43 on Mother's Day.

Your contribution to our Pregnancy Help Center assists us in providing services for women who find themselves facing an unplanned pregnancy. Saint Gerard's offers women educational seminars that include options coaching, prenatal care, infant and child care, and spirituality. We hope to also offer services to the men who are supporting our clients. Our new ultrasound machine will arrive this summer.

Contributions are also used to support the material needs of our clients with diapers, wipes, and clothing for mother and child. If needed, we will also work to provide a safe car seat and bedding for the new baby.

With the support of you and other like-minded individuals, Saint Gerard's has reopened to serve all women in Hartford and surrounding towns who so desperately need alternatives that support them in continuing their pregnancy.

Thank you for helping to save lives, and may God bless you.

With love for life,

Kathleen Johnson
