YOUTH MINISTRY

St. Stanislaus Church

The St. Stanislaus Church Youth Ministry program is open to all youth in grades 6 and up. The program helps youth grow in their faith thru monthly meetings, social events, and community service opportunities. Despite several fundraisers planned, Youth Ministry needs sponsors to help offset costs for the many programs and community services projects we offer.

SPONSORS NEEDED

We are in need of sponsors to support the opportunities offered by the St. Stanislaus Youth Ministry Program. We are seeking $30 sponsors to offset the costs of monthly meetings, our service projects, the 2027 Mission Trip to Harrisburg, PA, and World Youth Day in South Korea in 2027!

Donations of any amount are greatly appreciated and can be placed in the collection baskets and addressed to "Youth Ministry" or mailed directly to the rectory. You may also wish to donate online at *https://www.ststanislausbristolct.org/* or by scanning the QR code here, go to online giving, and click "Youth Ministry."

May God bless you for your generosity and support. All sponsors will be in our prayers.
