

***'History of the Mass'* Homily Series**

At the Last Supper Jesus instituted the Holy Eucharist as the memorial of His death and Resurrection to perpetuate the Sacrifice of the Cross until He comes again in glory. To further our understanding and love for the Mass, the weekend of September 5-6 will begin a monthly series on the history of the Mass, examining the Church's celebration and its historical development. Fr. Dietrich will preach and provide printed material to supplement the homily.
