

Our Family Promises

As a family, we promise to...

Signed,

Instructions

Recall the comments from your earlier discussion regarding:
*Recall our time together last week. What do you think went well? What could we do better?
What etiquette or rules should our family follow?*

On a separate sheet, brainstorm the basic rules that you will follow together as a family,
especially during your COR time together.

We recommend that your list include: No cell phones/screens during meals and COR time
(even for parents); Our family will attend Mass together every Sunday.

Review your ideas, edit as needed, and then write them up neatly on the "Family Promises"
page. Once complete, have everyone sign the bottom to show they agree to follow these rules.

Post your promises in a place where everyone will see them.
