*The reconciliation services are for the entire parish and all students and families. The service itself will last from about 6:00-6:15, followed by individual confessions for the remainder of the time. Feel free to come for confession anytime between 6:00 – 8:00. Attendance will not be taken, but it's anticipated that as part of formation in the faith, students would go to confession during the penitential seasons of Advent and (especially) Lent.

**There are no sessions on Ash Wednesday, but it's anticipated that as part of formation in the faith, students would participate in one of Ash Wednesday Masses.
