A Community Inspiring Success

WHAT IS SCRIP AT ST. GABRIEL?

How scrip works: Purchase gift cards for your favorite retailers we carry in stock at face value in the parish office or at the Scrip desk after weekend Masses. Gift cards can also be ordered through raiseright.com or the RaiseRight app. The retailers give specified rebates back to St. Gabriel and those rebates can be directed to family tuition accounts, school programs or our parish.

Why use scrip: Fundraise via your every day purchases while earning credits for your student or St. Gabriel.

How to get started with online scrip ordering

1.) Create your online account

Create your online scrip account and search for participating retailers by downloading the RaiseRight app. Click "Sign Up" and then "Join a program" where you will input the SMCS enrollment code.*

2.) Set up your payment type

Authorize online payments from your bank account (\$0.29 transaction fee) for fast and convenient checkout every time. Credit cards are also accepted at checkout for a small fee.

3.) Fill out the Scrip User Agreement Form

Complete the agreement form (smcatholicsschools.org/resources/scrip) and return it to the Faith Formation or parish office or scan/email it to luhlenbrauck@smcatholicsschools.org. This tells us where you want your cards delivered and where you want the credits to go.

4.) Shop HUNDREDS of retailers

Use Scrip for purchases big and small at www.raiseright.com/shop. Place your first order online, or better yet, on the app! Order online by 9 a.m. on Mondays to have your physical cards delivered to your selected location by noon on Thursdays. Electronic gift cards and reloads will be available for immediate use if paid using an online payment option.

Reach out to Karen Rappl (krappl@smcatholicsschools.org)

or Liz Uhlenbrauck (luhlenbrauck@smcatholicsschools.org)

with any questions and to get the SMCS enrollment code.*
