Congratulations

Congratulations to Casey McLaughin, John Kenney, Liam Sherman and Cody Fitzgerald who were baptized into Christ last weekend at St. Mary's.

Church Improvements

Back in June I wrote in my column about a few upcoming projects planned to enhance our Church's worship environment. The first, making sure the **building's exterior** was in good repair, included the repointing of places in the brick where mortar was missing or loose, as well as the reconstruction of some finials which had some deterioration. These repairs were completed over the summer and the church exterior is now in great shape for some years ahead.

The second project, the **replacement of church pews and carpeting and the refresh of the interior paint** are scheduled to commence during the upcoming summer months of July and August 2027. During that time, we expect to be out of the church building and holding our daily and Sunday masses in the Parish Center. The new pews will be positioned slightly farther apart to provide more leg room and comfort in entering/exiting and will solve the problem of the inadvertent kicking down of the kneeler of the pew behind. It will also allow for more comfort in kneeling straight up. Some details are being finalized so that the full project can be approved by the Archdiocese. We also hope, if feasible, to improve the lighting in the church as well, both the replacement of the dimmer/switch system to better accommodate the new LED lights that have been installed, and to add some accent lighting to highlight the tabernacle, crucifix, and the general visual warmth in the church.

The third project is the **replacement of our aging digital organ.** As mentioned before, it is showing serious signs of wear and replacement parts are becoming very difficult to find as the company that built it is no longer in business. This is one of the reasons we are using the piano more these days, to extend the life of our current instrument for upcoming weddings and holidays. Technology has also advanced so much in the past 20 years since its installation that in many ways this instrument's technology is obsolete. (We all know how quickly phones and computers become outdated.) The new organ, which is being built by the Rodgers Organ Company here in the United States, will marry the latest digital technology with six ranks of traditional organ pipes to be installed in the loft. Rodgers has been in business since the 1950s, and along with the Allen Organ Company, is one of the two largest providers of both traditional pipe organs, all digital organs, as well as hybrid organs such as ours will be. The full purchase and installation of the organ with accompanying pipes is projected to cost around $130,000. Lighting upgrades could cost nearly $100,000. (Nothing is inexpensive these days!)

This is where I would like to ask for your help. While the funding of the first two projects is largely coming from parish reserves and the Forward with Faith campaign from a few years ago, the cost of the organ and lighting improvements was not planned for in that campaign. As we enter this season of giving (Thanksgiving and Christmas), would you consider making a special gift to this initiative for your parish that will greatly improve our experience of worship here for generations to come? In the next week or so, we will be distributing more information and details about the organ and providing donation envelopes with suggested levels of giving. You will be able to make a memorial gift honoring a deceased loved one, or an honorary gift in recognition of a living person. Once the organ is fully installed, we will schedule a dedication concert and produce at that time a memorial booklet to recognize all gifts given for this purpose.

Thank you in advance for your generous response to this appeal as we continue to maintain and improve our faith experience here at St. Mary's.

~Fr. Stephen

Remembering the Deceased

Remaining Weeks of November

There is still time to inscribe the names of your deceased loved ones in the **Book of Remembrance** in the sanctuary so they may be remembered at Mass throughout the rest of November. You are also welcome to place a small framed photo near the altar — please be sure to label the back with your name and phone number, and remember to pick up your photo after Masses on the weekend of 11/28 – 11/29.

Stephen Ministry

Healing Often Begins with Being Heard

When we are hurting, having someone who truly listens can be a gift. Stephen Ministers are trained to listen with compassion and without judgment, offering confidential Christian care during difficult seasons of life.

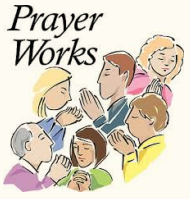

Sometimes the first step toward healing is simply knowing that someone is willing to listen.

Prayer Pew Ministry

A Parish Family That Prays Together

At St. Mary's, we are called to be the hands and heart of Christ for one another. When we pray together, we share our burdens, celebrate our blessings, and strengthen our bonds as a community of faith. Whatever is on your heart today, please know that someone is ready to stand beside you in prayer. You are known, you are loved, and you are welcome here.

Our Prayer Pew Ministers are available after all Saturday and Sunday Masses, and after Monday, Tuesday and Wednesday daily Masses. Find them by the piano, wearing blue nametags. All are welcome.
