

ST. PATRICK PARISH

Financial Update Year-to-date as of September 30, 2026

In June, we presented St. Patrick Parish's annual budget for the fiscal year beginning July 1, 2026. We identified three important priorities for this fiscal year to help sustain our parish's mission and ensure a strong financial future. As of September 30, here is an update on our progress.

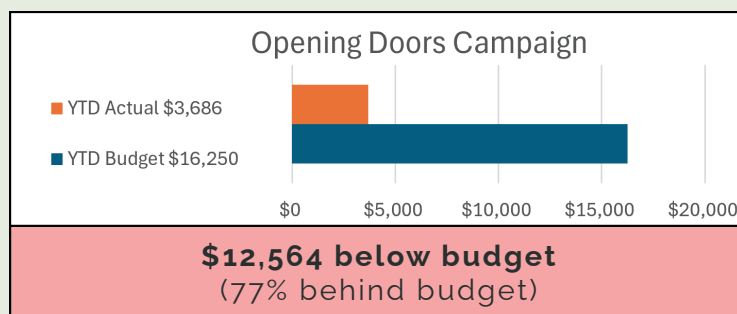

1. STRENGTHEN OFFERTORY GIVING

We budgeted a 4% increase in offertory giving to help keep pace with rising costs and sustain our parish ministries.

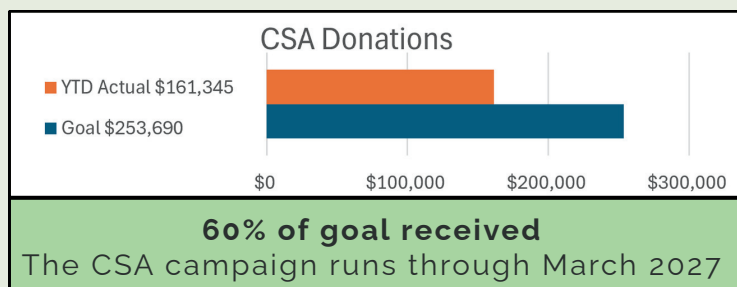

2. REDUCE OUR "OPENING DOORS" DEBT

We established a renewed commitment to make additional progress in reducing our mortgage debt and strengthening our parish's financial future.

3. REACH OUR CSA STRETCH GOAL

Our goal is to raise \$55,000 in CSA support to help cover the cost of replacing the sacristy roof. Of 1,500 families in the parish, 353 have donated to CSA.

Next Steps

Please prayerfully consider your personal commitment for the coming year. 49% of our registered parishioners have made a financial contribution during the past year. Our goal is 100% participation. We are inviting more families to take part by intentionally giving in support of St. Patrick Parish.

1. If you are currently giving, please consider increasing the amount that you give.

2. If you are currently not giving regularly, please consider giving.
