Hearing Assistance Instructions
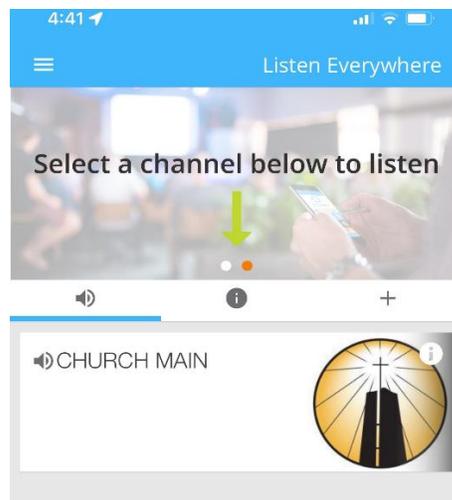

1. Open your device settings & connect to the "CC_Assistive_Listen" Wi-Fi Network.
2. Enter the password "ListenNow!" and connect (case sensitive).
3. Download the "Listen Everywhere" app onto the device. This can be done by scanning the QR Code below or by searching for it in the app store.

4. Open the "Listen Everywhere" app and give it 30 seconds to scan.
5. Select the channel pictured below.

6. You can use it as a sound source for any headphones or listening devices connected to your phone.
