

Leave a Legacy at The Catholic Center at UGA

“How can I repay the Lord for all the great good done for me?”

PSALM 116:12

One meaningful way we can give back to God for His generosity is by creating a will.

Estate planning and writing a will put stewardship into action, allowing you to honor your values and intentions, care for your loved ones, and support the organizations and causes that matter most to you beyond your lifetime.

We invite you to take National Make-a-Will Month as an opportunity to compose or update your will and consider leaving a legacy of faith at The Catholic Center at UGA.

Making a planned gift in your will, or a bequest, to The Catholic Center helps sustain our evangelistic efforts into the future and provide continued stability for our mission. It is like planting a seed now that will one day bear fruit in the lives of future Bulldogs.

Bequests are the most popular method of planned giving because of their simplicity and flexibility. You may designate a specific amount, a percentage of your estate, the residual of your estate, or a contingent gift. Bequests can also be made using a variety of assets, like cash, real estate, vehicles, stock, or personal items like jewelry or artwork.

To include The Catholic Center in your will or estate plan, we encourage you to consult professional guidance from your attorney, financial advisor, or estate planning professional to determine what approach best supports your family and charitable goals.

Hundreds of UGA students are hungry for the truth, beauty, and goodness of God and a community that will support their journey toward sainthood. Your legacy can help young adults for generations encounter Christ and experience a loving spiritual home on campus.

We are truly blessed by your care and enthusiasm for our ministry. Thank you!
