Care Manager: Full-time vacancy

As a Care Manager, you will serve as a trusted guide and advocate for the clergy of the Diocese of Harrisburg, helping them navigate the complexities of healthcare while supporting their overall well-being. Rather than providing hands-on clinical care, you will serve as a compassionate coordinator and advocate. The Care Manager role is a key component of Clergy Care, a dedicated service of Meta Care, Inc., who are partnering with the Diocese. Meta Care, Inc. delivers impactful, adaptable strategies that respond to the complexities of today's healthcare environment, ensuring members receive the right care, in the right place, at the right time.

- Minimum 3 years of healthcare experience required.
- Preferred LPN or RN (active license not required). Ideal for nurses seeking a meaningful non-bedside role.
- Experience in clinical or medical office settings with a passion for helping individuals navigate the healthcare system.

Availability: This position is available immediately. If you are compassionate, detail-oriented, and inspired by the opportunity to support clergy members in their health and wellness journey, please submit your resume and a cover letter to REC@metacareusa.com
