Care of the Souls within the Diocese of Saint Petersburg

*"In directing and coordinating all the work of the diocesan agencies, the Bishop will keep in mind, as a general principle, that diocesan structures should always be at the **service of the good of souls** and that administrative demands should not take precedence over the care of persons. ROMAN CATHOLIC DIOCESE OF SAINT PETERSBURG
COURAGEOUSLY *Living the Gospel*

For as in one body we have many parts, and all the parts do not have the same function, so we, though many, are one body in Christ and individually parts of one another. Since we have gifts that differ according to the grace given to us, let us exercise them: if prophecy, in proportion to the faith; if ministry, in ministering; if one is a teacher, in teaching; if one exhorts, in exhortation; if one contributes, in generosity; if one leads, do it with diligence; if one does acts of mercy, with cheerfulness.
