History of The Holy Spirit “Field of Dreams”

On a late September evening in 2002, the Holy Spirit Field of Dreams ballpark was born. A corner lot of an old cotton field was designated for a baseball field. A conglomeration of ideas, people and interests came together. Genuine hard-working people began “doing the Lord’s work” donating their time, efforts and talents.

The Field of Dreams ball park is now a reality. Within just a few short years of conception, more than 40 boys and girls Little/Pony/Junior and soft ball league teams use the Field of Dreams ball park on a weekly basis. There is no charge for use of the field, only a promise to support it by helping maintain it and donating hole sponsor or field signs if possible.

Since the ballpark’s inception, a sprinkler system was installed along with fencing, back stops, a warm up area, grass, sod, trees, foul ball poles, dugouts, a bull pen, bleachers with canopies, field lights, shed were added. We recently completed our score board, concession and press box. We also requisitioned a fairway mower, special thanks to Daniel Castro. Now with the construction around the ball park fairly completed, we are in the process of finishing the landscaping and making continuous field improvements. We expanded the field to support 13U and junior league play.

The Annual Holy Spirit Two-Person Scramble is the sole fund raiser for the field. The tournament is held the at 8:00am on Saturday, July 25, 2026 at LakeRidge, and is now into its 28TH year. The ballpark is supported by the dedicated coaches, parents and volunteers who maintain the field. Importantly, this community ball park is made possible because of those who make a concerted effort to seeing such worthy community projects thrive.

The Holy Spirit Field of Dreams - “if you build it, they will come.” Special thanks to all those who still have a little youth left in them to fulfill the dreams of others! - Bud Grossman.
