June 2026

Dear Holy Spirit Parents,

Due to the 2026-2027 Michigan Department of Education Lunch Program guidelines and calculation formula, we must increase the price of Hot Lunch to \$4.00 beginning August 24, 2026. Your child's Hot Lunch account will reflect this increase beginning August 24th.

We have been fortunate to keep the price at \$2.85 for the past 5+ years, but are required to implement the increase for this year. We apologize for any inconvenience this may cause as you navigate the increased cost.

If you believe you may qualify for free or reduced lunches, please do not hesitate to request an application at any time during the year. These should be completed and returned to the school office in an envelope labeled Attn: Terri Kelly. These remain totally confidential and you will be notified of the results with 7 days of receipt.

If you have any questions, please contact me. Thank you for supporting Holy Spirit Hot Lunch.
