CATHOLIC CHURCH

From the Pastor

Dear Friends,

Each year, our parish presents an Annual Report. Many parishes will give a simple report with regard to income and expenses. But we know that there is so much more that makes up our parish! In this report, we highlight the numbers and information that present a more complete view of our spiritual home.

I am ever grateful to all of our parishioners for the dedication you show to your parish. You are giving, you are worshipping, you are serving, you are growing your faith, and most importantly, you are being the Church!

As you review this report for the fiscal year July 2018 - June 2019, you will see how your parish impacts the lives of our internal and external community. I hope you will see that we are actively continuing to follow Christ's mission.

I hope you will also see that we can't do His work without your continued help. As is evident from this report, it takes many, many hands to accomplish our goals. It takes all of us pitching in to use the gifts we have been given. May God bless you and our parish this coming year!

Sincerely in Christ,

Monsignor W. Joseph Corbett, *Pastor*

From the Parish Finance Council

Dear Fellow Parishioners,

We are pleased to present our 2018-2019 Annual Report. This Report is an accounting of the gifts and resources you have generously provided and how they have been invested to enable us to better serve our parish and the surrounding community.

Our offertory increased by 2% and contributions to the Archbishop's Annual Appeal once again exceeded our goal which resulted in a refund of over \$74,000. However, our total revenues decreased by \$96,000 due to a number of one-time contributions and events. Expenses for 2019 were generally comparable to 2018 other than property improvement costs which decreased by \$263,000. This decrease related to 2018 repairs to the Ministry Building. Overall, the parish operated at a surplus of approximately \$355,000, and that allowed us to make principal payments of \$174,000 on our parish debt, reducing the balance owed to approximately \$1,300,000.

Sincerely,

Parish Finance Council

Why Do You Give?

“I give to Saint Jude, but I don’t think of it as giving away something that is mine. All that I’m blessed to have comes to me by the grace of God, and I try to remember that it’s not really mine at all. It’s an act of obedience, it’s a privilege, and it reminds me to never get too “tethered” to money that has belonged to the kingdom of God all along.”
