

A Message from the Safe Environment Coordinator

Welcome to a new school year at All Saints Catholic School!

If you are a **new family** or have **not yet completed the Diocese of Arlington's Safe Environment requirements**, now is the perfect time to become compliant.

Parents and family members who wish to volunteer throughout the school year, including helping in the classroom, chaperoning field trips, assisting with school events, coaching, or participating in other volunteer opportunities—must complete all required Child Protection requirements **before** volunteering.

To become compliant, you must:

- Complete the Background Check
- Sign and Submit the CPS Acknowledgement Form
- Attend the required VIRTUS "Protecting God's Children" training

Ready to get started?

Visit our Safe Environment webpage for step-by-step instructions, required forms, registration information, and helpful resources:

We encourage you to complete these requirements as early as possible. Waiting until a volunteer opportunity arises may prevent you from participating if your requirements have not been completed and processed.

The safety and well-being of our students is a shared responsibility, and we are grateful for your partnership in creating a safe environment for every child.

If you have any questions or need assistance with the process, please don't hesitate to contact me. I am happy to help.

Thank you, and I look forward to working with you throughout the school year!
