Principal's Message

In accordance with national initiatives and diocesan policy, for many years we have taken steps to ensure that your children are in a safe place when they are participating in a program at All Saints Catholic School. In support of this commitment, our school has implemented the diocesan-approved *Circle of Grace* program. This curriculum, which provides distinct lessons for grades K-8, has been in use in our diocese for a number of years and has been well-established as a safe environment training option.

We will be integrating the objectives of the program in religion lessons in the weeks ahead beginning on Tuesday, November 17.

Tomorrow I will send an email to parents with additional information about the program, including an overview and key concepts. In the meantime, a link to the

program that provides access to a sample curriculum that highlights the objectives for each grade level lesson can be found below.

(Note: The *Parent First* flyers that are accessible for each grade level are designed for parents only and will not be reviewed in class. They are designed as a resource so that you can determine the pertinent aspects that you may wish to share with your children.)

Diocese of Arlington - Circle of Grace

Should you have any questions about *Circle of Grace* or the classroom lessons, please do not hesitate to let me know. Again, please look for a follow-up email with more detailed information tomorrow.
