Principal's Message

Several weeks ago, I had the opportunity to provide an update to parents at the PTO General Membership Meeting, highlighting initiatives and priorities for the 2026-2027 academic year. This week I wish to provide a brief summary for those that were unable to attend the session.

School Safety & Security

- Office Renovation – The renovation of the school office and front lobby is now fully complete. The contractor has wrapped up the finishing details, the result of which is an entrance with significantly enhanced safety and security features.

- Visitor Management System – The launch of this digitized system has been delayed due to the fact that we are planning to incorporate additional functions,

such as the capability for parents to sign their child/ren in and out using a device. This has required consultation with both the vendor and the diocese as we complete the integration of our Visitor Management System (Verkada) with our Student Information System (PowerSchool). Soon, you'll note the installation of wall mounted iPads on both sides of the office window after which we will initiate a slow roll-out of the system. As we begin the implementation process, I'll forward additional details as well as a FAQ to provide an overview.

- School Mass Security – The routines and procedures that we implemented last year remain in place and are standardized for each of our school Masses. I remain grateful to the off-duty law enforcement officers associated with our school and parish who continue to provide a security presence for this gathering. With the support of faculty members and parish ushers, we are able to maintain a layered approach to our security.

- Standard Response Protocols – In accordance with the recommendation of the diocese, we will be implementing the *Standard Response Protocols*, an approach to emergency management that provides a common language and framework, one that is recognized as the "gold standard" among first responders. Our existing Crisis Management Plan is already aligned with the "all hazards approach", but the refinement of terminology will result in a more concise and consistent use of language. When this project is completed, bi-lingual (English/Spanish) flip charts will be posted in each classroom, replacing the existing emergency response materials.

- Cameras – We will be adding a pole mounted camera on the periphery of the enclosed soccer field and playground area behind the school. This additional camera will provide enhanced coverage of the space and serve as a deterrent during after-hours use of the grounds.

Technology & Artificial Intelligence

- Technology Vision – As announced last year, we have formed a Technology Committee, led by Mr. Saffian, tasked with the goal of clarifying the technology vision for the school, one that will guide planning and decision-making over the course of the next several years. The committee members are actively engaged in discussions related to research that highlights the impact of screentime on children while acknowledging the accelerated rate of change driven by AI. The goal will be to create a plan to guide the school in striking the right balance so that our students are formed in accordance with "best practice" while being prepared for a highly technological society.

- Digital Citizenship Curriculum – One of the goals of the Technology Committee is that of identifying a curriculum or program that will more systematically provide our students with a framework to guide their use of technology. The committee has already identified a couple of "front-runners" and looks forward

to providing updates in the near term.

- Parent Education – An aspect of any digital citizenship curriculum or program will be that of providing parents with corresponding tools and training. Plans are currently underway to schedule a high impact presentation with outside experts during the second half of the year. Watch for more details in the months ahead as we finalize the plan.

Facilities Upgrades

- Restroom Refresh (Gym/Cafeteria) – Plans are now confirmed for a "refresh" of the restrooms located in the gym/cafeteria. Over the course of the past year, members of the Parish Facilities Committee explored several options related to renovation of the space which would have required the construction of a small wing adjoining the door that exits to the playground. Due to a projected cost of $425,000 and the operational challenges related to supervision in a separate hallway, the decision has been made to "refresh" the existing space with new fixtures.

- HVAC System – In consideration of the fact that the HVAC system is now approximately 27 years old, Monsignor Lee and the Parish Facilities Committee have identified the replacement of the unit as a high priority. Working in partnership with a representative from the diocese, the parish has initiated an Engineering Design Project to explore potential solutions.

I wish to thank, once again, Msgr. Lee, the members of the Parish Facilities Committee, and the parish at-large, for their support of our school. It is through their expertise and financial generosity that we are able to continually upgrade the security posture and infrastructure of the school facility.

This week our school is preparing for the Diocesan Week of Service (November 9-15), an initiative that encourages parishes and schools to put *Love in Action through Service in Community*. In support of our parish-wide effort, students in Grades K-8 are helping to create individual cards, many of which will include an offering of prayers, to be delivered to the homebound in our community next week. Thank you to our students for helping to brighten the lives of these individuals through this outreach effort.

To do justice and to love goodness, and to walk humbly with your God.

Virtues in Practice (November)
Virtue of the Month: Humility
Definition: Accepting your limitations and God-given talents
Saints: St. John the Baptist (PK -2); St. Pio of Pietrelcina (Gr. 3-5); St. Therese of Lisieux (Gr. 6-8)

Open House (Tomorrow @ 9:00 a.m.)
All Saints will host an Open House for prospective parents on Thursday, November 5 beginning at 9:00 a.m. in the Parish Activities Center. All parishioners and members of the community interested in learning more about our school are cordially invited to attend. Please share this information with friends, neighbors, and colleagues and encourage them to join us for this event. For more information, please contact Mrs. Mary Rodriguez, Administrative Assistant, at (703) 368-4400.

How to High School Workshop - Saturday, November 14th

Saint John Paul the Great Catholic High School is excited to host our annual 7th and 8th Grade high school readiness workshop, How to High School, on November 14, 2026 from Noon-4pm! Our workshop will be jam-packed with skill building activities and helpful information for middle schoolers! Our day starts with lunch, so come hungry! Learn how to: Study Smarter Not Harder, Shine at Tryouts, Enjoy High School, Turn Your Worries Into Wins, and more! Click here to sign up!

Link: https://jpthegreat.fsenrollment.com/portal/new_inquiry

All are invited to attend St. Paul VI Catholic High School's fall play, William Shakespeare's *Romeo and Juliet,* a timeless story of love, family, and fate. Come support our student cast and crew as they bring this classic to life. You won't want to miss it. Performances take place at St. Paul VI Catholic High School, 42341 Braddock Road, Chantilly, VA 20152.

Thursday, November 12 — 7 p.m.
Friday, November 13 — 7 p.m.
Saturday, November 14 — 7 p.m.
Sunday, November 15 — 1 p.m.

Tickets are $15 for general admission and $10 for students and seniors (65+) and may be purchased online at www.paulvi.net/fine-arts.

Join us in helping our neighbors in need by bringing a non-perishable food item

(no glass) to be donated to Catholic Charities' St. Lucy Food Project.

Important Reminders

- **Veterans Day Mass, Assembly, & Reception (Friday, November 6)**
  Join us as our school community comes together to honor the service and sacrifice of the men and women of the United States Armed Forces. We warmly invite all active duty, reserve, former, and retired military personnel to attend our Veterans Day Mass on Friday, November 6 at 8:30 AM.
  Following Mass, guests are invited to a special assembly in the PAC, and then to a reception in Father Kelley Hall, where we will continue to celebrate and thank our honored veterans.

  We look forward to commemorating this meaningful day together and showing our heartfelt appreciation to our heroes.

Thanksgiving Luncheon

- **Thanksgiving Luncheon (Monday, November 23)**
  On Monday, November 23 we will host our annual Thanksgiving Luncheon. All parents are cordially invited to attend this special event with their child(ren).
  For a number of years, we have linked this celebration to an outreach effort to benefit Catholic Charities in support of *We Care Week,* a diocesan initiative scheduled for the first week of December.

  Again, this year, donations may be included with your Thanksgiving Luncheon payment. Please see the order form from the cafeteria for more details, a copy of which can be found at the link below.

THANKSGIVING ORDER FORM

Volunteers are needed to help with set-up and decorations, clean-up, food preparation, and with serving food during the Thanksgiving Luncheon. Volunteer shifts are designed so that you will be able to sit and enjoy your meal with your child (ren). Please consider helping for at least one shift throughout the day. If you are available to assist, please sign up via Track it Forward below.

VOLUNTEER SIGN-UP
Thanksgiving Luncheon: Event Sign Up Sheet | Track It Forward

(Note: VIRTUS compliance is not required for volunteers helping with set-up on Sunday but is required to volunteer on the actual day of the event.)

- **Tuition Assistance Program (2027-2028)**
  Information regarding the Diocesan Tuition Assistance program for the upcoming academic year is now available. For details, please see the flyer found at the link below.

  2027-2028 Diocesan Tuition Assistance Program

  Additional details about the program can also be found on the diocesan website.
  https://www.arlingtondiocese.org/catholic-schools/tuition-assistance

The key financial aid dates for **2026-2027** are as follows:

January 11, 2027	Financial aid application due date for diocesan **high school students**
March 15, 2027,	Financial aid application due date for diocesan **K-8 school students**

- **Urban Air Spirit Night: Sponsored by the PTO**
  Join All Saints after school on Tuesday, **November 10** at Urban Air in Gainesville. Urban Air recently increased its prices, causing the PTO to reconsider a Spirit Night there, however we have now been given **exclusive pricing** for our event! Instead of $39.99 per person, during our event only unlimited play will be **$25.99** per person. The PTO will also receive 20% of the

proceeds! Don’t forget to mention All Saints when you purchase tickets! (*Note: the PTO does not receive credit for Urban Air memberships.)

- **Keep Christ in Christmas Poster Contest**
  The Knights of Columbus George Brent Council 5332 invites All Saints students in Kindergarten through Grade 8 to participate in the Keep Christ in Christmas Poster Contest.

  Create an original 11 × 17-inch poster reflecting the theme **"Keep Christ in Christmas."** Competition divisions are Kindergarten, Grades 1–2, 3–4, 5–6, and 7–8. Completed posters and signed entry forms must be submitted to the

All Saints Catholic School Office by **Friday, December 11, 2026**. All participants will receive a certificate, and first-place winners will be selected in each division. Contest rules and entry forms are available from the school; questions may be directed to Knights of Columbus Vincent Fitzpatrick at **fitzman56@gmail.com**.

2026 KCIC Poster Contest Rules
2026 Poster Entry Form

PVI Sip & Shop

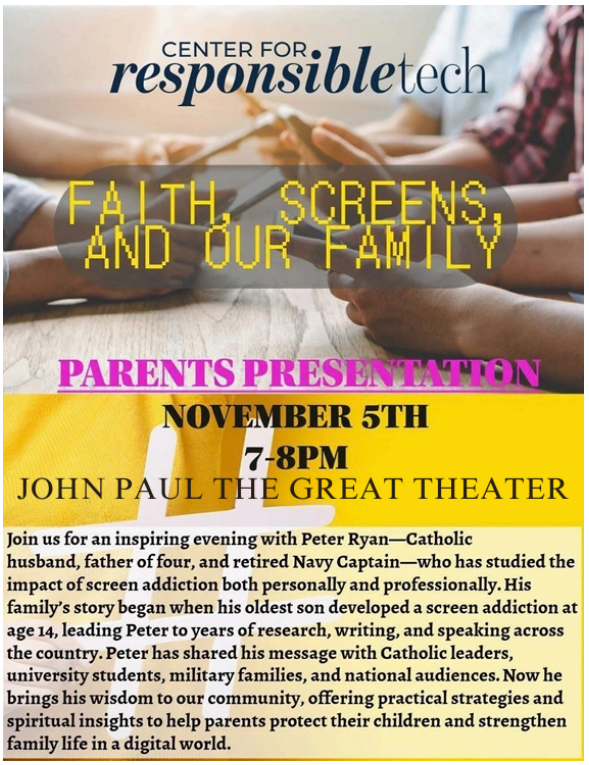

All are welcome to the PVI Sip & Shop holiday vendor open house on **Wednesday, November 18, from 5:30-8:30 p.m. at St. Paul VI Catholic High School,** 42341 Braddock Rd, Chantilly, VA. Start your Christmas shopping early! Various hand-crafted wood crafts, jewelry, greeting cards, candles, embroidered gifts, and more will be for sale. We ask all attendees to bring a non-perishable food item for the **St. Lucy Food Project**.

More details about the event can be found at **www.paulvi.net/sip-and-shop**

Responsible Technology Presentation for Parents

Mark your calendars for Thursday, November 5th at 7pm! Saint John Paul the Great will be hosting a presentation by The Center for Responsible Technology. Learn more about the impact of screen-based technology on the family and about how to protect your children from its harmful effects. Our speaker, Peter Ryan, is a retired Navy Captain who gives presentations across the country. Click here for more information!

JP Shadow Days - Sign Up Today!
Schedule a shadow day at Saint John Paul the Great! Shadow days give prospective students the chance to see life at JP firsthand! Shadow guests are paired with a current JP student for an entire school day. They attend classes, meet teachers, and enjoy a complimentary lunch from the cafeteria. This is a great way for prospective students to envision themselves as JP students! Sign up here!

Principal's Message

Several weeks ago, I had the opportunity to provide an update to parents at the PTO General Membership Meeting, highlighting initiatives and priorities for the 2026-2027 academic year. This week I wish to provide a brief summary for those that were unable to attend the session.

School Safety & Security

- Office Renovation – The renovation of the school office and front lobby is now fully complete. The contractor has wrapped up the finishing details, the result of which is an entrance with significantly enhanced safety and security features.

- Visitor Management System – The launch of this digitized system has been delayed due to the fact that we are planning to incorporate additional functions, such as the capability for parents to sign their child/ren in and out using a device. This has required consultation with both the vendor and the diocese as we complete the integration of our Visitor Management System (Verkada) with our Student Information System (PowerSchool). Soon, you'll note the installation of wall mounted iPads on both sides of the office window after which we will initiate a slow roll-out of the system. As we begin the implementation process, I'll forward additional details as well as a FAQ to provide an overview.

- School Mass Security – The routines and procedures that we implemented last year remain in place and are standardized for each of our school Masses. I remain grateful to the off-duty law enforcement officers associated with our school and parish who continue to provide a security presence for this gathering. With the support of faculty members and parish ushers, we are able to maintain a layered approach to our security.

- Standard Response Protocols – In accordance with the recommendation of the diocese, we will be implementing the *Standard Response Protocols*, an approach to emergency management that provides a common language and framework, one that is recognized as the "gold standard" among first responders. Our existing Crisis Management Plan is already aligned with the "all hazards approach", but the refinement of terminology will result in a more concise and consistent use of language. When this project is completed, bi-lingual (English/Spanish) flip charts will be posted in each classroom, replacing the existing emergency response materials.

- Cameras – We will be adding a pole mounted camera on the periphery of the enclosed soccer field and playground area behind the school. This additional camera will provide enhanced coverage of the space and serve as a deterrent during after-hours use of the grounds.

Technology & Artificial Intelligence

- Technology Vision – As announced last year, we have formed a Technology Committee, led by Mr. Saffian, tasked with the goal of clarifying the technology vision for the school, one that will guide planning and decision-making over the course of the next several years. The committee members are actively engaged in discussions related to research that highlights the impact of screentime on children while acknowledging the accelerated rate of change driven by AI. The goal will be to create a plan to guide the school in striking the right balance so that our students are formed in accordance with "best practice" while being prepared for a highly technological society.

- Digital Citizenship Curriculum – One of the goals of the Technology Committee is that of identifying a curriculum or program that will more systematically provide our students with a framework to guide their use of technology. The committee has already identified a couple of "front-runners" and looks forward to providing updates in the near term.

- Parent Education – An aspect of any digital citizenship curriculum or program will be that of providing parents with corresponding tools and training. Plans are currently underway to schedule a high impact presentation with outside experts during the second half of the year. Watch for more details in the months ahead as we finalize the plan.

Facilities Upgrades

- Restroom Refresh (Gym/Cafeteria) – Plans are now confirmed for a "refresh" of the restrooms located in the gym/cafeteria. Over the course of the past year, members of the Parish Facilities Committee explored several options related to renovation of the space which would have required the construction of a small wing adjoining the door that exits to the playground. Due to a projected cost of $425,000 and the operational challenges related to supervision in a separate hallway, the decision has been made to "refresh" the existing space with new fixtures.

- HVAC System – In consideration of the fact that the HVAC system is now approximately 27 years old, Monsignor Lee and the Parish Facilities Committee have identified the replacement of the unit as a high priority. Working in partnership with a representative from the diocese, the parish has initiated an Engineering Design Project to explore potential solutions.

I wish to thank, once again, Msgr. Lee, the members of the Parish Facilities Committee, and the parish at-large, for their support of our school. It is through their

expertise and financial generosity that we are able to continually upgrade the security posture and infrastructure of the school facility.

This week our school is preparing for the Diocesan Week of Service (November 9-15), an initiative that encourages parishes and schools to put *Love in Action through Service in Community*. In support of our parish-wide effort, students in Grades K-8 are helping to create individual cards, many of which will include an offering of prayers, to be delivered to the homebound in our community next week. Thank you to our students for helping to brighten the lives of these individuals through this outreach effort.

To do justice and to love goodness, and to walk humbly with your God.

Responsible Technology Presentation for Parents

Mark your calendars for Thursday, November 5th at 7pm! Saint John Paul the Great will be hosting a presentation by The Center for Responsible Technology. Learn more about the impact of screen-based technology on the family and about how to protect your children from its harmful effects. Our speaker, Peter Ryan, is a retired Navy Captain who gives presentations across the country. Click here for more information!

JP Shadow Days - Sign Up Today!
Schedule a shadow day at Saint John Paul the Great! Shadow days give prospective students the chance to see life at JP firsthand! Shadow guests are paired with a current JP student for an entire school day. They attend classes, meet teachers, and enjoy a complimentary lunch from the cafeteria. This is a great way for prospective students to envision themselves as JP students! Sign up here!
