ADULT ENRICHMENT STUDIES

Adult Enrichment Studies enable parishioners to join together and grow in faith and fellowship through lifelong formation. We do this by studying and exploring both the Bible and the teachings of our Catholic faith. Gathering in groups provides the opportunity to grow in trust, learn along with other parishioners, and grow as disciples. These gatherings help foster a familiar and personal group setting. Adult Enrichment Study groups are held in the comfort of a parishioner's home who has volunteered to be the host home. Studies and groups are available to parishioners, college-age and older.

ADULT FORMATION

Welcome to the basics of the faith! There are several opportunities for continued education and spiritual growth in the Catholic Faith for adults. Our Catholicism 101 Sessions are offered at different times throughout the year. Please see our parish website or bulletin for upcoming session dates. Bring a family member, friend, or neighbor; all are welcome! There are also (weekly) daytime and evening Breaking Open the Word sessions sponsored by Men's Fellowship to review the upcoming Sunday's readings. We also offer the FORMED platform for FREE to all our parishioners.

ADULT CONFIRMATION

Perhaps due to family transitions, moves, or any other situations, you were unable to receive this Sacrament of Initiation as a youth. This Confirmation preparation class is for all parishioners, attending college and older. Sessions take place on Monday evenings, usually beginning in January, and registration is necessary to participate in this class. A current copy of your Baptismal certificate is needed for registration. Contact the parish office for more information.

ANNULMENTS

An annulment is a declaration by the Catholic Church that, after careful investigation, shortcomings were discovered in the relationship that prevented it from becoming a marriage. It does not "erase" the civil contract, and it does not render the children illegitimate. It merely states that after a thorough investigation, the Church has declared that a marriage, as the Church understands marriage, was not valid. Throughout this process, a Priest and our Annulment Advocate assists and ministers to divorced members within our parish community. The annulment process involves prayer, sharing, gathering information, and healing. Annulment Advocates educate and encourage the person as they guide and assist them through the annulment process. If you are interested in finding out more about the annulment process, please contact our Annulment Advocate at the Parish Office to schedule an appointment.

BAPTISM PREPARATION

Baptism is a Sacrament through which we begin our initiation into the Church. Parents wishing to have their child baptized into the Catholic Faith need to attend a Baptism Preparation class, and be registered and participating members of our parish, showing Mass attendance for at least 3 months. Parents and local godparents will also need to attend our Baptism Preparation class and complete paperwork. Please contact the Parish Office to begin the process.

BAPTISM SEWING

Are you gifted with the talent of sewing? At Most Precious Blood we sew our own Baptismal Cloths that are given to the children at their Baptism. Our cloths are made from the same material as the linens on the Altar and the embroidered cross on the cloth is also the same as the cross on the Altar linens. We are in need of both sewers for the cloth and/or embroiderers for the cross. All material and embroidery thread is supplied. Our sewers pray for each child as they sew the Baptism cloths. Parents know that before their child was born, they were prayed for by our team of sewers. Please contact the parish office for more information.

BAPTISM TEAM

Our Baptism Team assists families on the day of Baptism. The team member arrives before Mass to set up the seating and materials for the family. They greet the family upon their arrival and review with the parents and godparents the Ritual and responses. Training is provided for all team members. Baptisms are celebrated the first weekend of the month, and our team volunteers sign up to assist at the Mass they typically attend on that weekend if they are available. This is a joyful ministry as team members get to assist a family that is having their child baptized into the Sacramental life of the Catholic Church! Contact the parish office for more information.

BECOMING CATHOLIC: Order of Christian Initiation for Adults (OCIA)

OCIA is the process by which the Catholic Church welcomes new members into the community of the faithful! It is available to individuals who are interested in the process of becoming Catholic and seeking sacramental initiation into the Catholic Church. The process is divided into various periods that respect and support the individual's faith journey. Participants attend weekly sessions and experience the life of the community through participation in Liturgical Rites, shared faith, and Catholic beliefs. For adults and children over the age of 7 who have never been baptized, the process leads to the completion of the Sacraments of Initiation – Baptism, Confirmation, and Eucharist – at the Easter Vigil.

Those baptized in another Christian faith make a Profession of Faith and receive the Sacraments of Confirmation and Eucharist through a Rite of Reception into Full Communion at various times throughout the year. Adults who were baptized in the Catholic Faith but have not been catechized are fully initiated and receive the Sacraments of Eucharist and Confirmation with the Bishop. Anyone who has a desire to become Catholic can inquire for this process. Individuals can be those who have never been baptized, persons baptized in another Christian faith, or baptized Catholics who have not received any other sacraments. The Inquiry Period is the informal beginning of the Christian Initiation process. This time enables the Inquirer to ask questions about the faith and discern if this is where God is leading them at this time in their life.

OCIA REFRESHMENT MINISTRY

Each week in the Christian Initiation Process (OCIA) individuals seeking to learn more about the Catholic faith meet to study the teachings of the Catholic Church while they discern their desire and calling to become Catholic. During these sessions a break time is scheduled for hospitality and food. Parishioners are needed each week to provide snacks and refreshments for our sessions. Won't you consider helping by bringing the gift of hospitality once a month to our wonderful group as these incredible individuals walk their journey of faith? To volunteer, watch the bulletin for announcements, or go to the parish website and respond through the link to the Sign Up Genius.

OCIA SPONSOR MINISTRY

Sponsors play a crucial role in the Christian initiation process as they guide and mentor Catechumens and Candidates seeking to become Catholic. They are called upon throughout the process to give testimony to the progress and readiness of the participants. Sponsors serve as a guide and connection between the participants and the parish community. They assist a Catechumen or Candidate by accompanying them along their faith journey through the different periods of the OCIA process.

- A Sponsor must be at least 16 years of age and a fully initiated Catholic, having received the sacraments of Baptism, Confirmation, and Eucharist. Each sponsor must be an active, practicing Catholic in good standing, and if married, they must have celebrated the Sacrament of Holy Matrimony in the Catholic Church.

- Sponsors attend weekly sessions along with Catechumens and Candidates to help reinforce the Catholic faith and traditions. The role of a sponsor is to become familiar with the stages and periods of the Christian Initiation process, commit to daily prayer for the person they are sponsoring, and help draw that person into the life of the parish. Contact the parish office for more information.

Together, fathers and sons work toward achievements and milestones of maturity while using the outdoors as their backdrop—and Christ's Holy Catholic Church as their guide. God desires for men to stand as the spiritual heads of their families. TSG has created a platform for men to both practice and teach the faith to their sons. COMMUNITY SERVICE MINISTRY

During the year our Parish is very active helping many different organizations within our community. This includes food drives, Blood Drives, and school supplies drives. Also, our traditional Advent tree angels support local charities and families during the Christmas season. In the Lenten season, we support missions and local non-profit agencies by sharing our time, talent, and treasure. This ministry supports annual Care & Outreach functions, as well as one-time special requests or circumstances that might come up in the community and at the parish. We also offer Bright Futures opportunities to volunteer in the community.

Who: All may participate.

Responsibilities: Each project will require a limited amount of time with tons of gratification.

Time: Varies based on assignment but individuals will be able to decide the level of participation.

Talents: The desire to help others in need. If you have a special talent or skill, we will find a place for you.

"A member of the lay faithful..."

..."can never remain in isolation from the community, but must live in a continual interaction with others, with a lively sense of fellowship, rejoicing in an equal dignity and common commitment to bring to fruition the immense treasure that each has inherited.

The Spirit of the Lord gives a vast variety of charisms, inviting people to assume different ministries and forms of service and reminding them, as he reminds all people in their relationship in the Church, that what distinguishes persons is not an increase in dignity, but a special and complementary capacity for service...
