SAINT BRIGID
Catholic Church

Spiritual Renewal Program

Our parish began this program in 2008; more than 1,500 members have participated. The program has previously been named Christ Renews His Parish (CRHP) and Welcome. It is now known as Renewed in Christ to better reflect the focus of the program.

The program includes the personal stories of 8 fellow parishioners about how Christ has worked in their lives. These talks are centered on predefined themes and you will have an opportunity to discuss the themes in small groups. There is no pressure; you can share as much or as little as you like.

Scripture, prayer, and reception of the sacraments are interwoven throughout the weekend.

There is one weekend for men and a separate weekend for women, each lasting from Saturday morning until Sunday around 3 pm.

What are the Benefits?

- Renew your relationship with Jesus; it doesn't matter whether you're already deep in your faith or just have a sense there may be more to life.
- Break away from the busyness of daily life to recharge and refocus, allowing you to prioritize your life better.
- Be a role model and demonstrate spiritual leadership in your family.
- Meet people in our faith community and feel more connected to our parish.
- Realize we are not in this alone and we have a wonderful faith community to support us.
- Enjoy a relaxed, uplifting, and fun event you will not regret!
