WHY WE RECOMMEND THE GENERAL FUND

Our **General Fund (501(c)(4))** provides the greatest flexibility to advance our mission. Unlike our Education Fund, General Fund contributions may be used to support both educational initiatives and advocacy efforts, allowing us to direct resources where they are needed most.

For donors who prefer a tax-deductible charitable contribution, gifts may instead be designated to our **Education Fund (501(c)(3))**, which is restricted to educational programming and outreach.
