

St. Joseph Parish is undertaking its **11th Annual Day of Service** in our community on **Saturday, October 3, 2026**, and we're looking for places to work! Our effort is directed to projects that will occur in our local community. These projects should involve meaningful work or interaction and be able to be accomplished within 6 hours between 9am-5pm, and at little-to-no cost (<\$40). All work will be completed by volunteers, and such volunteers may include children and teens. Any participating youth will be accompanied by adults who will provide supervision.

You may request assistance for yourself, or you may refer someone that you know could use our help by completing this application.

Work that will be considered includes visiting the elderly, interacting with residents at a nursing home or assisted living facility, trimming bushes or trees, yard cleanup, minor home repairs, or small painting projects. The work must directly assist a person(s) or an organization helping others within the City of Strongsville or the home of parishioner outside of the City of Strongsville. No work will occur on a rental property nor on a property who already has contracted grounds' maintenance services.

The Selection Committee will evaluate all work requested and determine those with greatest needs. We may not choose to do work at your site based upon the need this year. Someone will contact you to arrange for a site visit and provide further instructions/information.

Instructions for submitting this application:

- The application must be received by **Monday, August 31, 2026**. **This is a firm deadline** and regrettably requests that are received after this date cannot be considered.
- Please return the application to the parish office, or drop it in the collection basket, or mail to: *St. Joseph Catholic Church, 12700 Pearl Rd., Strongsville, OH, 44136 - ATTN: Parish Service Day.*

*All information requested below is necessary for our evaluation and selection process.
This information will remain confidential and only be used by members of the selection committee.*
