SERVICE PROJECTS

In Confirmation, the anointing of Baptism is sealed – it's made complete. That anointing re-forms us into the likeness of Christ and marks us forever as children of God who are called to greatness. Through the gifts of the Holy Spirit, given in Baptism and strengthened in Confirmation, we are empowered to do great things for others! Service prepares us to go out in the world as the hands and feet of Christ.

- ✝ **TWO projects will be completed by the student/family** – see the Service Project Guide for ideas.
- ✝ **Two projects will be completed as a group.**

Students fill out a yellow Disciples of Christ Project Reflection sheet for each service completed and hand it in directly to the Confirmation Office. Reflection sheets due on or before April 26, 2027
