"For today in the city of David a savior has been born for you who is Messiah and Lord. And this will be a sign for you: you will find an infant wrapped in swaddling clothes and lying in a manger."

Luke 2:11-12

Dear Parishioners,

We spent the Season of Advent journeying toward the manger in hopeful expectation. Now we look toward that only perfect gift that will sustain us now and the many days to come, Jesus Christ! Our Savior has been born to us as the perfect gift of a gracious and loving God. Despite all the seeming distractions of the world, the love of God offers us profound peace in a special way in the person of Jesus Christ.

My prayer for each one of you is that you experience each day as a gift from God. May you value more deeply the relationships that sustain you, the blessings that are offered to you, and the peace of Christ that comforts you. May you use all things to help give meaning and dignity to the lives of everyone you encounter, just as the perfect gift of God, Jesus Christ, gives meaning and dignity to ours! With a heart of love and gratitude for each of you, I wish a very blessed Christmas and a most prosperous New Year!
