Parish financial arrangements

How participation is funded: The estimated cost of the Diocesan package (motor coach, lodging, conference registration) is $875 per person based on four participants per hotel room. This is funded by a combination of family payments and fundraising supported by the parish. More details to come once our final group has been confirmed.

Payments or deposit, if applicable: A deposit of $100 is due by November 11, 2026 to hold a place in the parish group. The deposit is applied toward the participation cost and is non-refundable. Remaining balance due in installments shared in previous communications.

If the participant does not attend: Please contact us right away. Costs already paid to the diocese or vendors are non-refundable, and we will work with you pastorally on any remaining balance.

Meals are not included in the diocesan package. Parish fundraising will help cover group meals.

Commitment and signatures

As parent or legal guardian, I commit the participant named above to attending NCYC 2027 with our parish group. I understand and agree to the parish financial arrangements stated above. Our family will work with the parish coordinator in preparing for the pilgrimage. Our family agrees to comply with the NFCYM Code of Conduct and diocesan guidelines and policies.
