

Dear New Parishioner(s),

Welcome to St. Vincent de Paul Catholic church. We are a parish of about 2,018 households, and growing fast, as the whole area is developing. I hope that you will feel welcome here.

Our mission is to live and pass on the Gospel teachings of Jesus Christ, the Son of God. He gave us the greatest message of all time, that is, that the hope that all of us long for, is real. Our greatest hope is for complete fulfillment and being with our loved ones again. Jesus promises that because of his death and resurrection, that hope awaits us, unless we reject God. Jesus is the doorway to that life and so what could be more important than keeping Jesus at the center of all that we do?

We have 9am mass every Mon, Wed, Thurs and Fri; 4pm Sat and 9am and 11am Sun. Just as in the early Church, we come together in each mass to worship God, to receive the Body and Blood of Jesus and to support each other on our journey.

We have a number of ministries here, where people can be more involved: Eucharistic Ministers, Lectors, volunteers for the food pantry and bingo, the choir, keeping the grounds and maintaining the church. But the primary reason we are here is to support each other as Catholics and give glory to God.

I encourage you to register with the parish, so that we can make sure you are included in all that we do. Let us know if there are particular ministries you are interested in being part of. Also, download our parish app, so that we can keep you up to date with things happening in the parish.

May God bless you always.
